Your Unit C Staffing Committee along with Employee Services are receiving a number of calls in respect to where we are with the staffing placements for office clerical staff (central and school based) and job category “other” (e.g. Outdoor Education Specialists, Library Assistants).

As communicated through our Unit C Newsletter, budget deliberations delayed the entire staffing process by approximately 7 weeks this year. While the TDSB budget has now been approved, we have yet to commence staffing for these job categories. We have a tentative start date of July 16, 2019.

Employee Services has confirmed that Staffing Placements will be communicated via TDSB email. Please ensure you review your TDSB email account over the next few weeks. Principals and/or Managers will be copied on the placement information email as well.

If you are affected through Staffing and have questions, please email your Unit C Staffing Committee.
