

December 5, 2019

Greetings Members,

Toronto Education Workers/Local 4400 believes that the assignment of its Members to cover positions of OSSTF Members while on strike is illegal, and we have made an application to the Ontario Labour Relations Board (OLRB) for urgent relief.

Although many Members were forced to accept transfers to CYW (Child and Youth Worker) positions on December 4, 2019, we hope that the OLRB will make orders preventing the TDSB from doing this again.

Toronto Education Workers/Local 4400 has not asked its Members to refuse work, except in situations where it is unsafe, but if the OLRB agrees that the assignment of our Members to cover OSSTF or ETFO vacancies is illegal, then we hope that there will be no repeat of what occurred yesterday.

If you have any questions about what is happening during these labour disputes, you should contact your Steward Co-Ordinator.
