### JIAS Members Take Strike Vote

Toronto Education Workers/Local 4400 represents LINC Instructors and CNC staff who work for Jewish Immigrant Aid Services (JIAS).

The Local served notice to bargain on March 31<sup>st</sup>, 2021.

On March 8<sup>th</sup>, Members showed their support for the work of the Bargaining Committee by giving the committee a 100% strike mandate.

A Conciliator has yet to be appointed to assist the parties in reaching a tentative settlement.

Our goal remains a fair, negotiated settlement which shows respect for the work of our Members.
